Our Mission Statement: *To train and inspire students of all ages in the performing arts while instilling the qualities of confidence, self-discipline, creativity, & respect for others*

As Pacifica's only not-for-profit performing arts school for young people and their families, our Star Members help us continue our mission by providing critical core funding to help cover the ongoing costs of running a dynamic and multi-faceted center for learning through the arts. In addition, you will support our outreach programs that bring the excitement of live theatre to hundreds of children, many of whom would not otherwise have the chance to enjoy this valuable experience. Star Memberships begin at \$25 per year and bring a host of unique and fun benefits for you and your family or business. (see chart).
