

Technical Theatre Summer Intensive

June 26 to July 1, Mon-Fri 1-7pm
Terra Nova Theatre

JUHSD students ONLY. Open to students entering or attending High School in Fall 201+

**A Free 3-Week
Training Intensive with
Professional Theatre
Technicians**

An opportunity for an elite crew of 6-8 selected JUHSD high school students to receive training by technical professionals is offered this summer. Students will get hands-on training in all technical aspects of theatre including lighting, sound, rigging, sets, costumes, design, and stage management. Students will meet at SSPA's scene shop at 930 Oddstad from June 26-28th for sessions on set design and painting. Plan to wear old clothes for these special workshop days! For their final project, students will have the opportunity to focus on one aspect of technical theatre production for SSPA's production at the TN Theatre.

Applications for this program are now open and will conclude by 5:00 PM. Applicants will be chosen by JUHSD and SSPA staff to and will be notified. At the end of the project it is our intention that JUHSD has a staff of trained students as a resource for the TN & other JUHSD theatres. After training this summer, students will be evaluated & may be offered future internships and work opportunities at other theatre locations as well. Don't miss out on this amazing opportunity! Daily attendance is mandatory from 4-7pm, special assigned project work will happen from 1-4pm.

To find out more about SSPA, go to www.SpindriftSchool.org or call 650-738-8648.
