

# Technical Theatre Summer Intensive

**JUNE 19 to JULY 8 at the Terra Nova Theatre**

**A FREE 3-Week Training Intensive with  
Professional Theatre Technicians**

*Open only to all current and incoming JUHSD students.*

An opportunity for an elite crew of 6-8 selected JUHSD high school students to receive training by technical professionals is offered this summer! Students will get hands-on training in all technical aspects of theatre.

**Week One-June 19-23** will focus on Lighting, sound, stage rigging. Also taught will be Stage management and Directing for the theatre.

**Week Two-June 26-30** will focus on Scenery and Costume design. Set Design and scenic painting will be taught at our SSPA scene shop at our Oddstad campus. (Be sure to wear old clothes for these special painting days!)

**Week Three-July 3-8** culminates in a production they will manage, produce, light and design. Performances are at 7:00pm July 7<sup>th</sup> and 8<sup>th</sup>.

Our intention at the end of the project is that JUHSD has a staff of trained students as a resource the the TN and other JUHSD theatres. After training this summer, students will be evaluated and may be offered future internships and opportunities at other theatre locations.

*Daily attendance is mandatory from 4-7. Special assigned project work will happen from 1-4.*
