Emerging actors focus on technique and skill building in this play performance camp. Taught by a professional theatre artist, students explore various elements of acting technique through voice work, physical theatre, and script analysis. The camp culminates in a fully staged production of *Twelfth Night* at Spindrift School with two public performances, complete with costumes and theatrical sets. Once enrolled, auditions for specific roles take place before the start of camp, date to be determined. Due to the intensive schedule of Actor's Studio, students are asked to arrive the first day of camp with their role in the play fully memorized.

**NO classes Ski Week 2/18-2/22 (except SDC). No Classes Spring Break 4/15-4/19. \*No classes Memorial Day May 27.**

Two installment payment plan available. Please see website for information.

Spindrift's full-youth Holiday production of a beloved musical has become a local favorite. We encourage all students to audition and take part in this tradition. Audition Prep helps new and experienced students alike to gain confidence around the audition process. Taught by professional artists and educators, students will learn that it is okay to make mistakes and have fun during an audition! They will also have the opportunity to choose and practice an appropriate audition song, prepare a theatrical resume, learn basic dance technique, audition etiquette, and practice singing with an accompanist. Participation in the audition prep does not guarantee a role in SSPA's Holiday show and Audition Prep participants are not required to attend the Spindrift Holiday Show auditions.
