Imagine a world where all weapons were replaced by musical instruments! Welcome to the legend of King Arthur and his Knights of the Round Table - like you've never seen it or heard it before.

En garde! This medieval marvel, complete with jousting knights, delightful damsels, and court jesters, will captivate the students as they journey to the past. Participating students must review lines and songs at home and come to class prepared.

Please enroll at SpindriftSchool.org/registration to secure your spot.
